

## Foreign Language Placement Exam

To make sure students are placed in courses that are appropriate for their language proficiency level, all new students entering IHSNO who have studied Spanish, French, Arabic, or Chinese for one or more years must take the Foreign Language Placement Exam. Students who have never taken a foreign language before are not required to take the placement exam, but they must choose a foreign language which they will take for the next four years at IHSNO.

The Foreign Language Placement Exams are computer-based and new students must register to take the exam in one of the following dates (maximum 25 students per each session):
